

## Super Bug Zapper – User Guide

### How to Play:

#### 1. Start the Game:

- The game starts automatically when you load the page.
- A disk appears at the center of the screen with bacteria spawning along its edge.

#### 2. Click to Score:

- Click on the bacteria to “eliminate” them and earn one player point.

#### 3. Growth Penalty:

- If a bacterium grows too large it awards 5 points to the game score.
- Letting 2 bacteria grow will make the game score reach 10, which means you lose.

#### 4. Winning & Losing:

- **Win:** Earn 10 player points before the bacteria make the game reach 10 points.
- **Lose:** Allow the bacteria to grow and accumulate 10 game points before you reach 10 player points.

### Game End & Restart:

#### • End of Game:

When either score (player or game) reaches 10, a win/lose message is displayed at the top of the screen.

#### • Play Again:

Simply reload the page
